## EXPERIENCE

**Delivery Cyclist, Uber Technologies and freelance**, New York, NY, Nov 2016—May 2019

- Contracted courier services providing fast and reliable package transport in Manhattan. Skills included the ability to read, predict and navigate idiosyncratic traffic patterns in a dense urban setting, bicycle maintenance, and customer service. Perfect safety record.

**Audio Engineer, freelance**, New York, NY, June 2010—July 2018

- Deep technical experience in recording arts; mixing, post-production, and electronic synthesis; composition, multi-instrumental performance, and live recording.
- Produced and distributed vinyl and cassette releases to international audiences.
- Audio/video live performance streaming to YouTube and social media channels.

**Philanthropy Officer & Consultant, Correctional Association of New York**, New York, NY, Sep 2015—Mar 2016

- Led major gift fundraising efforts; manage database; direct mail and communications campaigns to identify, cultivate, and solicit donors in support of criminal justice reform.

**Sales Technology Consultant**, New York, NY, Jan 2013—Mar 2016

- CRM database and web development for small business and nonprofit clients including Japan Society, James & Company, and Creative Connections, LLC.
- Business development for Color + Information, a creative design agency. Developed pitches for software, graphic design, and video production projects.
- Co-authored "Why Every Nonprofit Needs CRM and How to Get it Right", a paper on best practices in database management and implementation in the nonprofit sector, published by Salsa Labs.

**Development Associate to Executive Office, Amnesty International USA**, New York, NY, Jun 2012—Jan 2013

- Led donor database module implementation; developed technical requirements with consulting engineers.
- Design, testing, and implementation of major donor telemarketing database.
- Wrote executive communications including grant proposals and correspondence to major donors.

**Database Administrator, Robert F. Kennedy Human Rights**, New York, NY, May 2011—June 2012

- Database management: implemented and managed Salesforce.com fundraising database.
- Coordinated fundraising in support of leading human rights activist Kerry Kennedy.
- Co-launched RFK Young Leaders, a young professionals' network to empower human rights activists and defenders; managed outreach, volunteer, and fundraising activities.

**Grant Writer and Database Analyst**, AmeriCorps VISTA, Austin, TX and New York, NY, April 2009—May 2011

## EDUCATION
